Paverpol – On Monday 31st May 2010 our school all made figurines using paverpol. We all selected pieces of material that we wanted to use. Talisha used bright yellows and greens, Samantha used pinks and reds and Bailey used black. The helpers cut out our patterns with us so that we had a shirt, two arm pieces and a skirt or trousers. After that we dipped each of the pieces into the glue and wrapped them around our body pieces. After we had covered our body frames we put our figurines in the sun to dry.
